MESSAGE OF THE WEEK

Teacher Performance Rubric Survey

TEI is built upon a **continuous improvement** model that requires both ongoing input from teachers and regular data analysis. We welcome your feedback on the 2016-17 Teacher Performance Rubric to help us improve this tool. Please [click here](#) to take the survey now!

Teachers reminded to verify years of service in Oracle

Some TEI effectiveness levels require a minimum number of creditable years of service (CYS). Data recorded in Oracle will be used for this purpose. Teachers who have not submitted official service records from other districts, should submit this information to HCM's Records Department by March 1, 2016. Listed below are steps to follow to check your years of service in Oracle:

1. Log in to Oracle
2. Click "DISD Employee Self-Service"
3. Click "Employee Self-Service"
4. Click "Human Capital Management Information"
5. Click "DISD Print Notification of Assignment and Salary" (3rd from bottom)
6. Click "Click for Results"
7. 2015-16 Notice of Assignment and Salary will appear
8. Scroll down

Please note, the years in profession will not include credit for the current school year. If the number correctly reflects your CYs through the 2014-15 SY, no further action is required. If this number is not correct, please submit original service records to **Human Capital Management, attn. Employee Records** 9400 North Central Expressway, 14th floor Dallas, TX 75231. If you have additional questions please email employeerecords@dallasisd.org or you may reach HCM at 972-925-4200.
